NORTH PENN SCHOOL DISTRICT

Lansdale, PA 19446

General Conditions for Bid

1. The North Penn School District Board of School Directors invites bidders to submit sealed bids for the furnishing and delivery of **2023-24 Musical Instruments**.
2. **Bids will be accepted until 2:00 PM on Wednesday, May 17, 2023. The bids will be opened at 2:30 PM on May 17, 2023, via Zoom.** Please see NPSD website, www.npenn.org/bidspec, for Zoom meeting details thirty (30) minutes prior to the bid opening.
3. The bid should be submitted in a sealed envelope and clearly marked on the outside, "**2023-24 Musical Instruments**" with one (1) original complete and signed copy and one (1) copy on a USB thumb drive.
4. Bids shall be submitted on the enclosed Bid Proposal Form. Bids must be typewritten or written with ink and signed by the individual, partners, or corporate officer.
5. The successful bidder shall bid in strict accordance with the specifications as set forth.
6. A BID BOND OR CERTIFIED/CASHIER'S CHECK IN FAVOR OF THE NORTH PENN SCHOOL DISTRICT IN THE AMOUNT OF 10% OF THE TOTAL BID IS REQUIRED FROM EACH BIDDER AND MUST BE ENCLOSED WITH THE BID. THE BOND MUST BE ISSUED BY AN INSURANCE COMPANY.

Only the bid bonds or certified checks of the successful bidders will be held until all terms of the contract are completed. The bid bonds or certified checks of the unsuccessful bidders will be returned at the time of the awarding of the contract.

7. The North Penn School District reserves the right to reject or accept any or all bids or any portion thereof and to waive any informalities permitted by law. Bids must remain firm for a period of sixty (90) days from the date of bid opening.

- ~~8. **Delivery must be fully completed by October 31, 2023, or 90 days of the awarded bid order, whichever date is earlier. If you cannot meet this delivery requirement, please do not submit a bid quote response to us. If you do respond, and instruments are not received timely within 90 days of the bid award order (or October 31st, whichever date is earlier), we will go through the process of liquidating your bid bond or certified check to obtain the order elsewhere and cancel the awarded bid orders that were sent to you. This will also eliminate you from future bids as well for the next two years.**~~

Delivery should be fully completed by December 1, 2023. If you feel you cannot meet this delivery requirement, please indicate in your bid the expected delivery date.

9. When a catalog reference follows the description of an item, such catalog reference is intended as a means of more fully describing the item in the shortest possible space and is to be regarded only as a part of the description of the item, and is not intended to limit competition.
10. Bid items should be the model number specified in the bid proposal. If a substitution or alternate for that instrument is to be made, it is to be listed with the make, model and description information.

Pagaentry Innovations Extended Double Mixer Cart https://www.guitarcenter.com/Pageantry-Innovations/Extended-Double-Mixer-Cart-1500000139973.gc?rNtt=pageantry%20innovations&index=11	Item #:1500000139973 POS #:113582613	The MC-25 is Pageantry Innovations' larger double mixer cart. It is a little bigger than the MC-20 but not as large as the MC-30. It has a 1.5 in. square tube accessory bar and foamed shelf that stands 36 in. from the ground and measures 22 x 43 in. All of Pageantry Innovations' mixer carts have removable top and rear covers as well as front hinged doors that open and allow for easy wiring. Also, the MC-25 has 20 free-floating spaces. The rear cable drop space and the eight internal outlets (which link to one power inlet) reflect PI's experience and thoughtfulness in design and building. This cart also has two Speakon NL4 jacks linked to four Speakon NL2 internal cables. The biggest differences between the MC-20 and the MC-25 model is, well, that it's extended. The foamed shelf is 22 x 54.75 in. or 11.75 inches longer than the MC-20. The MC-25 has a full-panel access door and dedicated snake storage. There are also two full-depth 10U racks below the shelf. And, of course, you get eight internal outlets (linked to one power inlet) and two Speakon NL4 jacks linked to four Speakon NL2 internal cables. Wiring upgrades available upon request: Signal (XLR male, XLR female, USB A and USB B), Power (Edison inlet, Edison outlet, PowerCon in and PowerCon out) and Networking (Ethercon).	1	NPHS
